

# TEMPLATES

## Provided Templates

- 2 versions of the template are provided:
  - Full color, full bleed templates for A4 paper (identical to templates included in the kit)
  - Minimal color templates for US Letter or A4 paper with print margins (for ease of printing at home or school)

## Printing instructions

- Make sure to print the following templates at 100% scale so it prints at the right size
- Use a stiff paper such as cardstock
- Tip: try printing the templates on colored cardstock for fun!

# CHEERBOT
